The undersigned has retained as my/our Professional Engineer,

(the "Design Engineer"), to undertake and/or co-ordinate and review all associated design criteria and "field reviews" required for this Project. It is understood that he/she will take all such steps as regulated under the Provincial Statute for his/her profession and by the definition of "field reviews" hereinafter set forth, to ascertain that the design will comply and construction of the project will substantially conform in all material respects with the provisions of Village of Fruitvale Subdivision and Development Servicing Bylaw No. \_\_, 199\_, and other applicable Permits, Bylaws, Acts and Regulations which apply to the Project.
