

VILLAGE OF FRUITVALE POLICY MANUAL

POLICY 3.06

POLICY TITLE: BURNING AND WOOD WASTE POLICY

PURPOSE OF POLICY:

To provide guidelines for fires in the Village of Fruitvale.

Absolutely no burning of household disposable waste and/or compostable yard and garden waste. **

Intermittent camp fires and ceremonial fires are permitted, as long as there is not a campfire ban imposed by the Ministry of Forests in the region, and if done safely and in a contained area.

If the Village Works Foreman determines that there is sufficient wood waste, then a chipper may be hired for the disposal thereof.

Special permission may be given by Council for special burning.
