

WINTER PREPARATIONS

Residents who have any items on the boulevard, such as RVs, solar lights, planters, boats, basketball hoop, etc., are asked to please remove them in preparation for the upcoming snow removal season.

The removal of such items will ensure a safe plowing environment for everyone involved. The Village's bylaw enforcement officer will be patrolling boulevards and leaving notices. If a tagged item is not removed and hinders snow removal, the Village will have it removed, at the owner's expense.

If there are any concerns that residents have with regards to public works that need to be taken care of before the snow flies, or any concerns after the snow flied, please contact Jason at the public works shop at 250-367-6162.

Thank you for your cooperation!
